**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1-5, 7-12, 14 and 15 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 1-5, 7-12, 14 and 15 are allowable since certain key features of the claimed invention are not taught or fairly suggested by the prior art. In claim 1, "display only markers indicating reference positions of the virtual input keys on the display means". In claim 8, "only markers indicating respective reference positions of the virtual input keys being displayed on the display means in the display/input control step". In claim 15, "displaying only markers indicating respective reference positions of the virtual input keys on the display means". The closest prior art of record however singularly or in combination fails to anticipate or render the above underlined limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to RICARDO L. OSORIO whose telephone number is (571) 272-7676. The examiner can normally be reached on MONDAY-THURSDAY 7:00 am-5:30 PM.
